

SUNSCREEN APPLICATION
(Revised 6/29/07; Updated 2/19/14; 4/19/21)

Children need something to protect their skin while playing outdoors. Beanstalk requires parent's approval for the use of sunscreen during program hours.

Parents have the responsibility of providing unexpired sunscreen that is labeled with the child's name on the container. Sunscreen will be stored out of reach of the children as required by licensing.

Teachers will apply the sunscreen on the children as needed.

I give my child/ren _____
(Print Child's Name)

permission to have sunscreen applied as needed for the 2023-2024 school year.
